ALLISON TANT

FOR
STATE HOUSE  DISTRICT 9

It is my pleasure to serve as your State Representative and fight for the hardworking families in our community since 2020. As a working mom, I understand the challenges that our families face, and am dedicated to improving our community.

As your Representative, I work every day to cut costs and unfair taxes, provide affordable healthcare, fully fund our schools, and stand up for parents and families. I am so grateful to have the opportunity to represent you and fight for our families in Tallahassee.

Thank you for the opportunity to represent you.

With gratitude,

Allison Tant
